## PRINCIPAL'S MESSAGE

Dear Class of 2001:

Congratulations to all of you upon completing high school. At a time when many of your friends drop out of school or resort to what they think are quick and easy routes to success, you have chosen to steer yourselves on a path that will lead to a destination that is lasting and rewarding.

The education you received has taught you the value of perseverance and discipline. The atmosphere at Central High School has taught you that compassion, commitment and genuine concern can make a difference in your life and that of others.

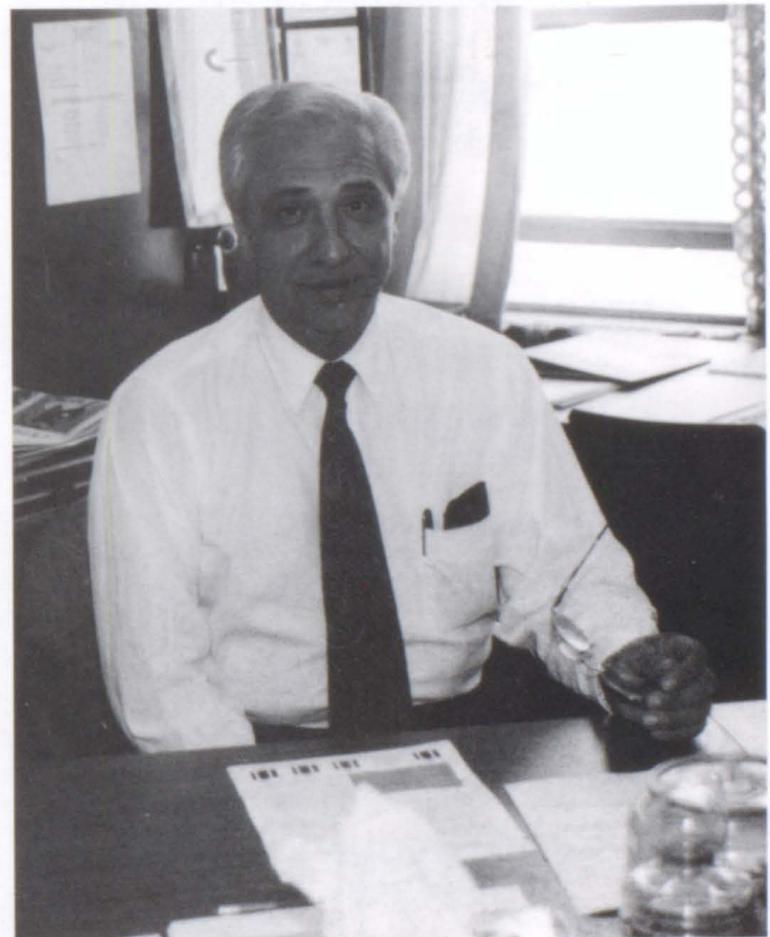

Blue Devils, you have been armed with the knowledge to succeed in life. It is your responsibility to set a course for yourself to follow. Visualize the location and destination at which you would like to see yourself in ten or twenty years from today. Remember your contribution to the world will manifest itself through your support, commitment and loyalty to your **family and yourself**.

# BASKETBALL

This year's Central Boys' Basketball Team was off to its best start in seven years. With victories over Roselle Park, Oratory Prep, David Brealey and Technology High, this gave the Blue Devils a 4-0 record.

The team is a senior led team with each senior having more than two year's varsity experience. The team has three players averaging double figures in scoring; Marcus Wooten who is leading the way with 19.7, Aaron Hardy is next with a 16.5 average and Ibn Wolfe with a 10.2. The remaining seniors are Jerome Black, Jay Martinez, Kasmin Brown, Safee Ware, Kevin Green and Dana Matthews. All of these players have had games of 10 points or more.

The team will make the State Play-offs this season, the first time in seven years. By that time Paul Hall will be eligible to play. A six foot, three inch senior, his first two games returning to action he had 19 points, 16 rebounds and 22 points, 20 rebounds. With his inside presence it will give the Blue Devils more than a fighting chance in the state play-offs.

The team also includes three freshmen who will have to take over the leadership of the team next year. They are Antoine Van Valen, Isman Robinson and Jamil Hall.
